

Yeh Yeh Yeh ... And I Don't Have
A Personal Zipcode Either!!

The young man had dialed information
From one of those gas station phones
"Can you help me out?"
The fellow inquired
"I'm trying to reach Richard Jones"
"I'll need some more information," she sighed
"Do you have any street name at all?"
Perplexed for a moment
The young man replied
"Uh, most people just call me Paul"
