Squire Consults

*SADIE waves bye-bye*

The Squire inquired  
Why the driver was fired  
(EXEMPTING his fling with our Sadie)  
The story was short  
That his job did abort  
When he up and offended THE LADY  
Said THE LADY to Daisy  
"He's driving me crazy!"  
(Thus keeping the umbrage alive)  
Said the chauffeur in wait  
(Thus sealing his fate!)  
"You can tell her it's quite a short drive!"
